

## CONDE NAST TRAVELLER READERS RANK EVA AIR IN TOP 10 AIRLINES

*The airline wins readers' choice recognition for the first time*

**14 October 2021** – Taiwan’s leading independent airline, [EVA Air](https://www.evaair.com) , has landed a 7<sup>th</sup> place ranking in [Condé Nast Traveller](https://www.condenasttraveller.com)’s prestigious [2021 Readers’ Choice Awards](https://www.condenasttraveller.com) for the [Top 10 Airlines in the World](https://www.condenasttraveller.com). The recognition marks the first time EVA Air has won a Top 10 spot from the publication’s readers and comes on the heels of equally high or higher traveller ratings in annual SKYTRAX and Travel+Leisure surveys. Readers Choice Award results are available on the [Condé Nast Traveller](https://www.condenasttraveller.com) website and highlighted in November’s UK and US print editions. Information about EVA Air, its routes and services is available at [www.evaair.com](https://www.evaair.com).

The annual survey to identify the world’s best hotels, resorts, cities, countries, islands, spas, villas, tours, trains, car rentals, luggage, airlines, airports, tours, and cruises attracted more than 800,000 readers to vote between 1 April and 31 May, 2021. By rating their travel experiences from around the globe, readers shared insights into places and things they miss and what they can’t wait to get back to. Condé Nast Traveller describes its Readers’ Choice Awards as the longest-running and most prestigious recognition of excellence in the travel industry.

*“We miss flying our passengers to favourite destinations and those of their dreams every bit as much as they miss air travel with us,”* said EVA President Clay Sun. *“We look forward to the day when COVID-19 no longer disrupts global travel and we can again operate our full schedule with all the services and niceties we are known for. In the meantime, we are adopting new technologies that enhance passenger wellbeing and working towards automated, paperless services with minimal face-to-face contacts during ticketing, check-in, baggage drop, departure and baggage claim processes. We could not do any of it or win passenger appreciation and recognition without the dedicated, hard-working EVA team.”*

Condé Nast Traveller is a luxury and lifestyle travel magazine. In addition to Condé Nast Traveller UK and US, there are nine different international editions, including separate publications in China, India, Italy, Spain and the Middle East.
