

NH COLLECTION ANDORRA PALOMÉ OPENS

Property is NH Hotel Group's first upper upscale in Andorra

6th July 2022 - NH Hotel Group has opened NH Collection Andorra Palomé, the group's first hotel from its upper upscale range in the principality of Andorra (<https://www.nh-hotels.com/hotel/nh-collection-andorra-palome>).

The property is located in the spectacular setting of Erts in the Andorran Pyrenees, next to the Vallnord - Pal-Arinsal ski resort, close to the Comapedrosa Nature Park, and only a 20-minute drive from the capital city of Andorra la Vella.

Set in a former saw mill and transformed with a blend of modern minimalist styling and traditional stone walls and wooden floors, the hotel has just 34 guests rooms, including doubles, suites and connecting rooms for families.

The exquisite dining options at NH Collection Andorra Palomé allow guests to savour local delicacies. Émo Restaurant offers traditional cuisine with a twist, prepared with quality, locally sourced, seasonal products and changing constantly to suit the time of year.

For drinks and light meals, Émobar serves a wide range of tapas and boasts an outdoor terrace for al fresco dining. The hotel's welcoming Lounge Bar has a roaring fire and designer sofas for contemplating the view and reliving the activities from the day before, and leads in to an idyllic garden for cocktails.

NH Collection Andorra Palomé is ideal for active travellers who want to explore the spectacular mountain setting in summer or winter, and there's a wide range of services to make their breaks even more relaxing, including a storage facility for skis and bicycles, wellness and fitness centres, and a massage room to melt away life's stresses.

For the warmer months, hiking and mountain bikes are popular, along trails that revel in the spectacular scenery of forests, lakes and waterfalls. Daredevils can tackle local rock climbs, with formations for both beginners and experts to try.

In winter, Andorra is a favourite ski destination, with three resorts and more than 200 miles of pistes, included Vallnord - Pal Arinsal, next to the hotel. Another way to experience the snowy landscape is to book a snowmobile or snowshoe tour and take in the breathtaking beauty of the mountains at a more leisurely pace.

Just 20 minutes from the hotel is the beautiful old city centre of Andorra la Vella, Europe's highest capital, where cobbled streets lead to charming squares and historic buildings.

Rates from EURO 78* per room per night. To book and for more information, visit <https://www.nh-hotels.com/hotel/nh-collection-andorra-palome>
