The Sarojin Community Care Fund

Established in December 2004 [The Sarojin Community Care Fund](#), which was initially set up to help rebuild the communities surrounding our resort in the wake of the devastating 26 December tsunami, continues to contribute to a number of worthy local projects in Khao Lak. From providing medical provision for prosthetic limbs and supporting local orphanages with childcare, to building school classrooms, roads and covering the cost of a full-time veterinary surgeon to care for the local wildlife, there's such a huge variety of ways our fund gives back to those closest to us. Guests are encouraged to donate to the fund during their stay, with 100% of the money raised distributed to local community projects.
