

Newmarket Holidays Recommends Top Ten Autumn Tours with Savings of Up to 15%

Operator explains why Autumn is the perfect time to get away on an escorted tour

2 August 2022 - Newmarket Holidays, the escorted tour operator, has recommended its top ten trips for Autumn as well as its tips on why Autumn makes the ideal time for an escorted tour. In addition, the award-winning operator has extended its offer of up to 15% off a wide range of its escorted tours until the end of August, making this the perfect time to book an Autumn break.

For those who are not yet ready to embrace the shorter daylight hours and fading temperatures, Newmarket Holidays recommends prolonging the summer sunshine in destinations such as India and South Africa, with escorted tours such as India – Tigers and the Taj Mahal; Kerala and India’s Beautiful South; On Safari in the Kruger National Park; and Cape Town, the Garden Route and Big Safari 2022.

For customers who are keen to welcome the cooler temperatures, Autumn is the most picturesque time to travel around the USA and Canada with autumnal colours sweeping the countries as the seasons change. And with the USA now having dropped pre-testing requirements, travelling in Autumn will be easier and more affordable than before. Newmarket Holidays recommends tours such as: New England in the Fall; Fall Colours of New England and Canada; Washington, New York and Boston in the Fall; and Canada’s Maple Leaf Fall.

Newmarket Holidays' Product Director, Richard Harrington, explains the benefits of Autumn breaks: *"We find the Autumn season is very popular with our customers as many prefer to avoid the school holiday rush and summer crowds and our wide range of options for regional airport departures makes it even easier to beat the queues. Fewer crowds also enable more interaction with the locals and Autumn is a great time to relax between the busier summer and festive seasons. It is also one of the cheapest times to travel with lower prices"*

For customers wishing to stay closer to home, off-season in Europe also means fewer crowds with temperatures slightly cooler, but still warm, making this an ideal time to partake in activities such as cycling and hiking around the Italian lakes. Newmarket Holidays recommends: Lake Molveno and The Italian Dolomites and The Italian Lakes.

Newmarket Holidays' latest campaign, 'Dream It. See it. Share it.' has been extended until 31 August 2022 and offers up to 15% off escorted tours and holidays in 2022, 2023 and 2024. For full details on these offers and the tours mention above, see www.newmarketholidays.co.uk
