

**THE SAROJIN MAKES POPULAR ‘VALENTINE’S PACKAGE’ AVAILABLE
YEAR ROUND FOR THOSE LOOKING TO AVOID THE PEAK
VALENTINE’S SEASON**

From L-R: Couple planting a tree, Garden Residence and Private waterfall dining

14 February 2023. To celebrate Valentine’s Day and due to high occupancies at this time of year, [The Sarojin](#), Thailand’s 56-roomed boutique residence, has made its ‘**Sarojin Cares Valentine’s Package**’ available all year round; perfect for couples wishing to mark their special relationship with a romantic break just for two. The year-long availability package is perfect for couples looking to combine activities and dining experiences tailored “just for two”, but who want to avoid the peak Valentine’s travelling period.

The ‘Sarojin Cares Valentine’s Package’ also now includes the opportunity for couples to participate in the property’s newly-created “One Booking One Tree” initiative, whereby The Sarojin commits to planting a minimum of one tree for every booking that is made, and plant a love affirming tree during their escape. The invitation to take part in this and other conservation and community activities as part of the Valentine’s package will ensure extra special and meaningful memories for the romantic duos.

As well as the option to participate in the ‘One Booking, One Tree’ initiative, the Valentine’s couple will have the chance to join The Sarojin team during one of the resort’s other regular conservation and community activities. The “**Sarojin Cares Days**”, which give back to the local community surrounding the residence, are free for guests to join and include coastal beach cleaning and helping out at community and child care centres.

Another highlight of a romantic stay at The Sarojin, and the 'Sarojin Cares Valentine's Package', is the opportunity to choose a private dining experience "just for two"*; either a candlelit dinner beneath the stars on The Sarojin's picturesque beach, a romantic candlelit jungle waterfall private dinner or a shipwrecked experience on their own private island. Whatever option the couple chooses, they will be guaranteed a memorable evening of gastronomy, with cuisine recognised in The MICHELIN Guide Bangkok, Phuket and Phang-nga 2021.

One of The Sarojin's most unique experiences for couples, and also included in the "Sarojin Cares Valentine's Package", is the sunrise Spiritual Blessing of Love for the couple at a local Thai temple. This intimate and special activity is the perfect way for a couple to celebrate their relationship as well as soak up an important part of Thailand's culture.

Starting from THB 47,359 (approx. £1,161)** the romantic couple can enjoy 5-nights in a Garden Residence, inclusive of an all day a la carte breakfast with sparkling wine served until 6pm as well as private transfers to/from Phuket International Airport with complimentary wifi, cold beers and soft drinks served for two people. As well as the activities listed above, also included in the package is a 90-minute Royal Oriental Aromatherapy massage for two people at The Sarojin's award-winning Pathways Spa. This deeply therapeutic treatment combines a luxurious blend of traditional Thai massage with a herbal aroma massage and is designed to rejuvenate the body and mind. Upgrades to a Pool Residence or Jacuzzi Pool Suite or a Two-Bedroom Pool Residence are available at an additional cost.

**Additional charges apply for the candlelit jungle waterfall and shipwrecked options. Drinks are not included.*

***The "Sarojin Cares Valentine's Package" is available year round, but prices vary according to the time of year.*

The Sarojin Community Care Fund

Established in December 2004 [The Sarojin Community Care Fund](#), which was initially set up to help rebuild the communities surrounding our resort in the wake of the devastating 26 December tsunami, continues to contribute to a number of worthy local projects in Khao Lak. From providing medical provision for prosthetic limbs and supporting local orphanages with childcare, to building school classrooms, roads and covering the cost of a full-time veterinary surgeon to care for the local wildlife, there's such a huge variety of ways our fund gives back to those closest to us. Guests are encouraged to donate to the fund during their stay, with 100% of the money raised distributed to local community projects.
