6 September 2024: Escorted tours specialist Newmarket Holidays has launched a new version of one of its most popular India tours, with an enhanced itinerary that combines cultural exploration, wildlife and a relaxing beach break.

India – Tigers & the Taj Mahal with Goa is a 13-day group adventure with a unique itinerary that features tours of cultural favourites including the Taj Mahal, Delhi and the Pink City of Jaipur alongside tiger safaris in Ranthambore National Park. It ends with three nights of relaxation on Goa's white-sand beaches.

There are nine departure dates throughout 2026 with prices from £2,799 per person, saving £200 until 31 October 2024. Accommodation, meals, flights, transfers, excursions and a tour manager are all included.

The holiday is an update of Newmarket Holidays' existing tour of India's Golden Triangle, which includes Goa as an optional extra. The revamped itinerary introduces extra immersive experiences while allowing for a more relaxed pace.

David Sharman, Chief Commercial Officer at Newmarket Holidays says: "We're excited to add this new tour to our award-winning India collection. It's an excellent opportunity for agents to offer a well-balanced itinerary that combines the cultural richness of India's Golden Triangle with the thrill of a tiger safari and the tranquillity of a Goa beach stay.

"The thoughtful adjustments to the itinerary ensure the tour appeals to the widest range of customers, whether they're seeking culture or relaxation and with everything included it delivers exceptional value. Our India collection has gone from strength to strength and this is another unique product that agents will find easy to sell."
