26 February 2025. Thailand's luxury boutique resort, The Sarojin, has launched an egg-cellent new Easter package for guests seeking a five-star experience that gives back to the local community and environment during their stay, representing the hotel's commitment and passion for responsible and sustainable tourism.

The five-night escape is available this April from THB 55,105* (approx. GBP 1,300), inclusive of accommodation for two in a luxurious Garden Residence room, private return airport transfers from Phuket International Airport featuring complimentary wi-fi, cold beers, soft drink refreshments and cold towels, daily a la carte breakfast with sparkling wine served until 6 pm and one Thai Favourites dinner for two at the property's Edge beachside restaurant.

Additional community-focused activities within the package include a visit to local social enterprise project [Avautis](#), whose aim is to provide sustainable employment and financial support for autistic adults and education for autistic children in Khao Lak. Here, guests can help Avautis attendees to collect eggs from the project's farm, which can then be brought back to The Sarojin and served at the guests' next breakfast.

Participation in one of the resort's recently launched 'Yoga for the Community' sessions is also included, where The Sarojin's expert yoga teacher will guide guests through a restorative hour of stretching and toning designed to help calm the body and mind. The classes take place within The Sarojin's tranquil grounds upon a shaded pavilion in its luscious gardens, and all profits raised from the classes are donated to [The Sarojin Khao Lak Community Fund](#).

To complete their stay, guests can join the hotel team on one of their regular One Booking One Tree planting days, part of an initiative launched by the resort in 2022 in collaboration with the National

Parks of Phang Nga, which commits to planting one mangrove tree along the local coastline for every booking made at the resort.

April also offers guests the chance to visit the popular Similan Islands. For an optional additional charge of THB 7,800 (approx. GBP 185) per person, guests can join a full-day snorkelling group tour aboard The Lady Sarojin boat to discover the archipelago's vibrant reefs that are teeming with marine life and colourful coral formations. The tour is inclusive of all equipment, guides, cold towels, a gourmet lunch and an all-day open bar serving beers, sparkling wine, wines, soft drinks, and water.

The Sarojin is beautifully set on an 11km stretch of secluded white sand beach in Khao Lak, just a 55-minute drive north of Phuket Airport and is surrounded by five spectacular national parks and the world-famous dive sites of the Similan and Surin Islands. Designed in a contemporary Asian style, the five-star resort's 56 deluxe residences are nestled within ten acres of tropical grounds leading directly onto the beachfront. Each guest room features its own private garden and "sala" sundeck, couples' baths with waterfall showers, and plunge and relaxation pools that blend into the natural habitat. Other facilities include an attentive "Imagineer" who can create tailor-made experiences for hotel guests, an idyllic resort pool, a rejuvenating spa integrated with nature and complimentary use of a fully equipped fitness centre, mountain bikes, sailing catamarans, sailboats, sea kayaks and windsurfing boards. Tranquillity is guaranteed as no children under the age of 10 are permitted to stay at The Sarojin.

The Sarojin has been honoured by [The MICHELIN Guide Thailand](#) with two key status due to offering its guests 'an exceptional stay'. The Sarojin was also recognised for its fine dining offering by the highly regarded restaurant guide, which honours those that consistently provide diners with high-quality products, a 'mastery of flavour and cooking techniques and value for money, as well as demonstrating the chef's personality within the cuisine.

The Sarojin Community Care Fund

Established in December 2004 [The Sarojin Khao Lak Community Fund](#), which was initially set up to help rebuild the communities surrounding our resort in the wake of the devastating 26 December tsunami, continues to contribute to several worthy local projects in Khao Lak. From providing medical provision for prosthetic limbs and supporting local orphanages with childcare to building school classrooms, roads and covering the cost of a full-time veterinary surgeon to care for the local wildlife, there's such a huge variety of ways The Sarojin's fund gives back to those closest to the resort. Guests are encouraged to donate to the fund during their stay, with 100% of the money raised distributed to local community projects and can join The Sarojin team on regular excursions and volunteer days in the local community, combining their luxurious escape with a sense of giving back and helping the local community during their time in Khao Lak.
